OUR ACCOMPLISHMENTS

7 young persons in our Semi-independent Living Programme are successful students bravely walking to a secure future

The voice of young people rings around the globe! One young person moderated an event at the celebration of the 35th anniversary of the UN Convention on the Rights of

the Child that took place in the European Parliament, while another became a member of the International Youth Coalition, a global SOS programme, actively contributing to youth participation in decision-making processes

65 kilometres of hiking trails across Slavonia and Baranja,

that 30 children who are members of the Zanatlija Hiking Club from Osijek walked together

5.0 as the highest grade, given by the beneficiaries of our Family Strengthening Programme to our specialist SOS Mobile Team for its counselling and supporting services aimed at prevention of family separation

FOR CHILDREN'S RIGHTS

12 years of successful collaboration with the Croatian Youth Network, European Parliament and numerous organizations from across Europe

176 employees took part in child and youth protection trainings in 2024
