OUR

ACCOMPLISHMENTS

100% of our young persons completed high school successfully. One quarter of young people in Semi-Independent Living Programme chose to pursue further studies and are now successful college students.

2 young persons started living on their own in a newly refurbished apartment under the auspices of the #ApartmentForTomorrow project.

3 young persons took part in the EU platform for youth participation in decision-making, and all of our young persons participated in 2 European studies on online violence.

Children's Parliament held five sessions, during which children had the opportunity to participate in making decisions that affect their future.

FOR CHILDREN'S RIGHTS

13 years of successful collaboration with the Croatian Youth Network and membership in the Network of Associations for Children and EU initiative for children's and youth participation.

19 experts attended training on the strengthening of adolescents' emotional skills following the method of World Health Organization.
